## COMMODORE'S COMMENTS, George Brown

It's been almost two years since I was elected Commodore, and my time is about up. Next month, at our Annual Meeting, we will elect a new set of officers to guide the club over the next year. Both Trish and I have enjoyed our time on the Board and plan to stay active with the club and Board. It has been a truly wonderful experience, mainly because of the great people we were blessed to work with on the Board. I need to personally thank all of you who have made the past two years successful. We still need a few good volunteers to serve on the next Board. If you are interested or know somebody else that would do a good job, contact our Nominating Committee Chair – Charlie Rains.

We still have a full schedule of events and races from the Autumn Challenge to the Annual Meeting on November 15<sup>th</sup>. In fact, we only have one weekend from now till then that we don't have an activity planned, so keep checking the schedule and come join in on the fun.

The Annual Meeting will be on November 15<sup>th</sup> at Gunter's Landing. We are planning a bigger and better event than last year (which may have been our biggest event ever), with presentations by the owners and election of new officers. See the attached flyer for dinner and RSVP information.

Hope to see you at the marina. If you are new, introduce yourself to us so we can get to know you.

---

We have a hot Fall Series going with some very close contest. Wish I could say the wind was “hot” but in general it has “not” until Fall Series 4. So you have to believe our time has come and it is going to be great this coming Saturday and Sunday for wind so come on out!!!

In the Fall Saturday Series we have Charlie and Amy tied for first with 7 points. Chip is showing some new found competitive spirit (new bottom job!!!) and is in third at 8 points. Keith and Sterling are tied at 9 for fourth. So, like earlier in the season, the final race will be with have a lot to do with the final out come!!!

In the Sunday Series we have 10 boats that have participated but only four that have the possibility of three races this season. Keith is in first with five points, Sterling is second with six and Amy is third with seven. Again, a win by Amy could win it all!!!!

The Autumn Challenge was awesome. It started out with a great, hot breakfast provided by William ??? (sorry, his last name is something Scandinavia). William has just started participating with the club and is using John Smith’s “second” boat the Hunter 25.5. Thank you very much William!!

For the pending race we saw a wind prediction of 10 to 15 mph out of the North all day so we changed the course to a windward leeward from our normal start line to Buck Island Light to the North down to Short Creek Light to the South and finish at Seibold. We had planned on three races but the effort to do the first one told the committee that two would be plenty. Thank you!!! Thanks to Dick Potter, Mary Stewart, John Smith and his friend Debbie for doing the committee work. It was very considerate and flawless. Great Job!!!

We had several calamities during the race. Deanna got so fed up with Charlie’s ranting that she threw down the helm and went down below. Seems they had a torn head sail that kept the boat from doing what Charlie thought it could do and he took it out on the driver!!! Lesson in there somewhere for all you men with your wives steering the boat!!! Sterling had a great close in counter with Seibold Light. Not sure what happened but in involved a broach and that is always an exciting thing. We all have to give Judith a hug for sticking it out with him!!! George and Trish were on their ear several times due to the gusty conditions. That is a testimony to the adverse conditions as they are very good at the two handed sailing thing!!! I would also like to congratulate all the other male-female teams that stuck it out; Jean Paul and Melissa, Larry and Stacy,

## 4

Grady and Kathy, Nick and Jean Boulder, Clark and Beth and my helmswoman Miss Beverly.

John Marsh prevailed to be the winner despite loosing a jib halyard shackle and fouling his spinnaker drop (new handicap for you John!!!). Keith and Bev beat their brains out for second trying all they could to catch John in the last race. Brent Beam and crew were steady with two thirds to come in third. Randy Rathman showed that the Pearson is a strong boat with a great fourth at nine points. Sterling finally got the Colgate going well despite the broach and had a fifth with eleven points. George and Trish did a great job getting their "cruising" boat to perform and finished sixth with twelve points. So some pretty close competition and a lot of hard work makes for a good excuse to have a cold one. Thanks to everyone who participated to make it a great day!!!!!!!!!!!!

We finished the evening off with a great dinner set up by Kathy Bryant. Thank you so much for all the great meals after the regattas. Afterwards a number of us enjoyed the new fire place on the porch. Good cozy talk about an exhausting but exhilarating day. Thank you new owners!!!!

---

### **Nominees for 2009 LGSC Board**

Commodore	Keith Kuhlman
Vice-Commodore	Tony Martin
Rear-Commodore/Social Chair	Trish Brown
Secretary	Amy Stapleton
Treasurer	Beverly Kuhlman
Race Chair	Dick Potter
