COMMODORE'S COMMENTS, George Brown

It's almost fall, so it's time to get back on the lake and enjoy the fall winds. The fall pursuit races have already started and more and more sailors are spending time at the marina.

The cruise to Goose Pond was enjoyed by crews from eight boats and several more who joined the group for dinner. The only concern was when wrong way John missed the entry to Goose Pond (he was passing a barge at the most inopportune time) and ended up at the Jackson Co. Park. But he made it back safe and sound, just a little late for dinner.

We have a full schedule of events and races from our cookout for our social on September 20th to the Annual Meeting on November 15th. In fact, we only have one weekend from now till then that we don't have an activity planned, so keep checking the schedule and come join in on the fun.

(<http://www.lakeguntervillesailingclub.com/activities.htm>)

Start planning on attending the Annual Meeting on November 15th at Gunter's Landing. We are planning a bigger and better event than last year (which may have been our biggest event ever), with presentations by the owners, election of new officers and voting on new bylaws. We will be deciding on the menu at the Sept. 20 meeting, so let your voice be heard. Charlie Rains is the chair of the nomination committee, so please contact him if you are willing to serve as either an officer or as a Board member or would like to nominate someone from the club. We have been working hard to put together a new set of bylaws that more closely reflect how we actually manage the club. We plan to have the draft bylaws published next month for all to see and comment on. We will vote on their adoption at the annual meeting – so stay tuned and let us know your comments and ideas between now and the Annual Meeting.

The Autumn Challenge is scheduled for Oct. 17-18, 2008 Plan on joining us for a weekend of fun and low pressure racing. The next marina open house will be on October 11. The owners have remodeled and furnished the house on the hill and it is for rent at \$225 per night with a two night minimum on the weekend. The house has three bedrooms and a fold out couch, so it can easily

2

sleep at least 8 people. See Quill if you are interested in renting it or know of someone who is.

Hope to see you at the marina. If you are new, introduce yourself to us so we can get to know you.

FROM THE RACE CHAIRMAN, Keith Kuhlman

If you need crew or want to crew, contact Keith Kuhlman at bkkuhlman@hotmail.com or call 256-582-1108

We are back in to the season, but I am afraid Mother Nature is just not as enthusiastic as we are!! The wind was just ok on Saturday and down right light on Sunday. Charlie was the master on Saturday just barely staying ahead of Amy and Sterling all the way back to the finish line. Great job on tactics!!! Sunday looked like a bust but the enthusiasm prevailed and a small group started in light wind, tried to go up river, had to shorten the course but finally got it done. It was questionable if we should have counted it but Mad Dog Amy would have had a “come-a-part” and you do not want to be part of that scene!! Seriously, it was another great job in light conditions.

We have some nice events coming up this Fall. First is BCSA’s Great River Race. This is traditionally a long, long, long distance race of about 70 miles!!! However, they have graciously made a sub category of a single lap up and down the lake of only 15 miles. So you can take your pick and do the all nighter (remember those!!) or just go for a fun day. The Skipper’s Meeting for the GRR is Friday night, October 3rd, 6 pm at the BCSA club house. You do not want to miss the “pledge”!! The race starts Saturday, Oct 4th at 9 am way down past Lower Guntersville Light. You should allow about 1.5 hours to get there so really should leave the docks at around 7 am. I know it is early but it will be fun!!! I will have some registration forms at our club. You can register at the Skipper’s Meeting on Friday. Cost is \$40 or \$35 if received by 9/28. You can take \$5 off those amounts if you are a US Sailing member. Contact John Gwyer at (256) 722-0455 or email him at jgwyer@hiwaay.net.

We will be having the Autumn Challenge Pursuit race on October 18th.

This is a fun event for all levels of sailing skill and boat speed. Skipper’s meeting will be at 9 am at the LGSC club house. A hot breakfast will be served courtesy of one of our newest member, William. Thank You!! There will be two races, the first starting at 10:30 am and the second immediately after so bring your lunch. Both will be pursuit format so come out and have some fun. No nasty mass starts!! We will end the “chasing” by 5 pm and there will be a scrumptious spaghetti dinner prepared by LGSC’s famous social committee chefs! The Notice of Race and Registration form are in this month’s Binnacle.

3

We still have three more weeks of Saturday and Sunday Pursuit racing, 9/27-28, 10/11-12 and 10/25-26.
